Treatment Key:

1	Direct	Determining the range, nature, and degree of hearing loss, including referrals for medical or other professional attention to improve the student's hearing
2	Direct	Providing qualified activities, such as language skills, auditory training, speech, lip-reading, hearing evaluation, and speech conversation
		Conversation
3	Direct	Counseling a student regarding his/her hearing loss
4	Direct	Determining the student's need for group and individual amplification, selecting and fitting an appropriate aid, or evaluating
		the effectiveness of the amplification
5	Direct	Identifying hearing loss as early as possible in a student's life by implementing a formal plan for identification
6	Direct	Other Direct Service

Notes:

- The Treatment Key should not be considered an all-inclusive list. Providers may use "Other Direct Service" but must provide a clear description of the service in their comments.
- All Direct Services must be face-to-face with the student in order to be compensable through the School-Based ACCESS Program.
- Use the "Service Provider Evaluation Log" for evaluations and/or assessments.
