14.	Direct	Functional Mobility: Transportation	31.	Direct	Therapeutic Exercise: Functional Range of Motion		
15.	Direct	Functional Mobility: Wheelchair	32.	Direct	Therapeutic Exercise: Muscle Strengthening		
16.	Direct	Functional Mobility: Stairs	33.	Direct	Therapeutic Exercise: Stretching		
17.	Direct	Gait / Ambulation Training	34.	Direct	Other Direct Service		

## Notes:

- The Treatment Key should not be considered an all-inclusive list. Providers may use "Other Direct Service" but must provide a clear description of the service in their comments.
- All Direct Services must be face-to-face with the student in order to be compensable through the School-Based ACCESS Program.
- Use the "Service Provider Evaluation Log" for evaluations and/or assessments.
