- All evaluations/assessments are paid based upon a “Per Evaluation” unit of service, effective March 1, 2015.
- In order for the evaluation log to be submitted as a compensable claim, at least one of the three face-to-face options from the Treatment Key must be selected.
- An initial evaluation or re-evaluation may only be billed to Medicaid if it results in the student receiving an ongoing IEP health-related MA-eligible service(s). The ongoing service does not have to be the same discipline as the evaluation for an initial evaluation. For a re-evaluation, the ongoing service must be in the same discipline for the evaluation to result in a compensable claim.
- **Attach all documentation relating to the evaluation to this log.**
