Notes:

- All Direct Services should be provided face-to-face with the student whenever possible.

- When face-to-face delivery of service is not possible, services may be billed when provided via telemedicine when technical and program requirements are met, and the service can be rendered to its full extent in a clinically appropriate manner.

- The Treatment Key should not be considered an all-inclusive list. Providers may use "Other Direct Service" but must provide a clear description of the service in their comments.

- Use the "Service Provider Evaluation Log" for evaluations and/or assessments.
